This application replaces withdrawn Application 55418 which changed a portion of Carson River Claim #723. Water under this application was inadvertently left off of Permit 53289.

Water will be used to irrigate a 157.98 acre golf course and supply lakes with a surface area of 40.54 acres. Water will be co-mingled with groundwater and placed into a series of small lakes. Water from lakes will then be pumped into the sprinkler irrigation system.

Please utilize the existing maps filed under the Carson River Decree and under Permit 53285.
